

Yvonne Spencer (Spratling) YHS 1942 - I was born in the Morwell Hospital as the Yallourn Hospital had not been built. I was also in the Sale Hospital with Scarlet Fever when there was an epidemic. We lived in The Angles and later in Fairfield Ave. My father worked with the SEC, my two older sisters Beryl & Coral Spratling also went to YHS. We were good friends of Albert & Mona Law. I remember swimming in the Latrobe

River and visiting friends in the Haunted Hills. I was too small to remember their names. I remember Dr Anderson and the lovely town. I remember on Sundays going to the park with the family and we played and paddled in the little pool while listening to the band that played there. It was so long ago - but I have great delight in reading your newsletters.
